

**“THEY (Producers of Weapons of Mass Deception)
ARE TRULY DEFICIENT,
YOU (Persons with Disability) ARE TRULY WHOLESOME”**

M. Kamal Hassan

SPECIAL POETRY RECITAL

in Commemoration of International Day of Persons with Disability, IUM.
11 December 2019

In the Name of ALLAH Most Compassionate Most Merciful
Those heartless slave masters, Manufacturers of Mass Deception,
High priests of human rights and secularised globalisation.
They steamrolled Palestinian homes completely swept from their sight,
A new Jewish capital they built with their might,

Illegal settlements on hills stolen in broad daylight,
Established new world disorder of Illuminati's insight.
Hospitals and schools their eagles blew up with impunity,
Swearing by the name of world peace and security,
Their tanks wiping out footprints of Jesus' humility,
Waving flags of white supremacy, spreading gospels of fake democracy,

Trumpeting the triumph of Goliath's iniquity,
Corrupting the melody of David's soothing symphony,
Widening the ever-expanding empire of Zionist indignity,
Encircling Earth's largest concentration camp in human history,
All in the name of advanced civility and democracy:
There is no disability, impairment nor disgrace for you, O brothers and sisters....

O GOD, hand over to us the miraculous staff of Moses,
to strike Pharaoh's palace of golden horses.
To dry up oceans of arrogant stupidity,
to cross over to the land of true liberty...

Leading the way are brothers and sisters of physical disability,
but their hearts are filled with inner tranquillity,
there is no space to breed evil conspiracy,
there is ample space only for sharing prosperity:

There is no disability, impairment nor disgrace for you, O brothers and sisters....

Disability and impairment physical is but an externality,
So long as your breasts preserve the hearts' primordial purity,
Like pearls and diamonds of exquisite quality,
Glittering with the *Nur* [light] of Sacred Beauty,
while angels bow their heads with Sublime Dignity,
disability and impairment only veil your Inner Majesty,
to our COMPASSIONATE MASTER they are Signs of Magnanimity:
There is no disability, impairment nor disgrace for you, O brothers and sisters....

Disability and impairments' physical melt before THE DIVINE GRACE,
In spiritual communion you are drawn into THE ALMIGHTY's Embrace,
In splendid animation your hearts find True Solace,
Never a moment is missed that is not filled with Ceaseless Praise,
When the spirit soars to find its original place,
Flying beyond the clouds where hungry eagles and ugly vultures race,
There are no imperfections when angels sing Celestial Praise:
There is no disability, impairment nor disgrace for you, O brothers and sisters....

Their bombs produced millions of children with disability,
in Afghanistan, Vietnam, Iraq, Syria, Hiroshima, and Nagasaki.
They want now to conquer Mars to establish their wishful colony

They look beyond planet Mars but cannot see the Hand of THE CREATOR,
For they have assumed the throne of Earth's dictator.
Now they want to save the ailing and crying Mother Nature,
after having raped her with utter disregard for her stature.

Global warming they precipitated with capitalist hegemony,
all they care for is more energy and more money.
Their hands produced weapons of state and global terrorism,
Their tongues accusing Islam of perpetrating barbarism,
They wouldn't lift a finger to stop racist Zionist expansionism,
they are the truly deficient – having lost compass of virtuous humanism:
There is no disability, impairment nor disgrace for you, O brothers and sisters....

You're not disabled nor impaired spiritually,
You can defeat the army of post-normal cruelty,
With your heart and soul of Pristine Purity,
With your hope and smile of amazing sustainability.

Your physical body they can disable and impair,
But to conquer your heart they will surely despair:
There is no disability, impairment nor disgrace for you, O brothers and sisters....

Plant in our souls, O COMPASSIONATE MASTER and MERCIFUL AL-HAMEED,
The seeds of Abrahamic submission to *Tauheed*,
To restore the green oasis of Abrahamic creed
So humanity can relish again the honey of Medinan peace indeed,
To distinguish the meaning of Divine Generosity from materialism's insatiable greed,
To manifest our gratitude to THE SUSTAINER, THE COMPASSIONATE AL-MAJEED.

You people with physical disability,
with hearts glowing with dazzling empathy.
Your eyes can see the smile of THE MERCIFUL,
Your ears can hear the *tasbiih* (glorification) of galaxies plentiful
Birds sing your praise at dawn in concert joyful.

You remove mountains of greed with your meditation,
Your noble thoughts raise you to heights of self-annihilation (*fanaa*):
Your silence is the loudest prayer for spiritual elevation,
Your heart is overflowing with joys of contemplation,
All creatures of GOD you embrace in sincere adoration,
You are truly wholesome – you have conquered all artificial limitation,
How can you be impaired when you have disabled the traps of worldly deception?
And locked your hearts against the piercing arrows of satanic temptation.
There is no disability, impairment nor disgrace for you, O brothers and sisters....

ان الله لا ينظر الى اجسامكم ولا الى صوركم ولاكن ينظر الى قلوبكم واعمالكم
“Verily Allah does not look at your bodies and at your forms;
but he looks at your hearts and your deeds” (*Hadith*)

Our SUSTAINER beckons us to return to HIM with hearts sound and healthy
on the day when our wealth and our off-springs cannot be our guarantee
يوم لا ينفع مال ولا بنون. الا من اتى الله بقلب سليم
(Qur'an, *al-Shu'ara*: 88-89)
All disabilities and impairments vanish as in a dream,
Our countenance of gratitude we turn towards THE THRONE SUPREME.

يا أيتها النفس المطمئنة. ارجعي ال ربك راضية مرضية. فادخلي في عبادي. وادخلي جنتي
(Qur'an, *al-Fajr*: 27-30)

“O soul that has attained peace, contentment and tranquility, return you to your Master, well-pleased and well-pleasing [in the sight of your Master].
So enter among My righteous servants. And enter My Paradise”

Blessed indeed the hearts that have attained peace and tranquillity,
Invited by THE ALMIGHTY to enter the Paradise of indescribable majesty,

To join the congregation of worshippers of the Infinite Beauty,
Never again to imagine impairment nor disability.

Allaahu akbar! Allaahu akbar! Allaahu akbar! Wa li'Llaahi'l-hamd.

السلام عليكم ورحمة الله وبركاته
