OFFICIAL CALL FOR TECHNICAL PAPER REVIEWERS & COMPETITION JUDGES

The Organizing Committee of the 2nd International Conference on Future & Sustainable Education 2026 (ICFSE 2026) invites distinguished academicians, researchers, and industry professionals to contribute their expertise as Technical Paper Reviewers and/or Competition Judges for our upcoming hybrid conference.

ICFSE 2026 serves as a premier multidisciplinary platform showcasing innovative research works. A hallmark of this year's conference is the integration of traditional **research paper presentations** with a rigorous **poster competition**, where participants stand a chance to win gold, silver, or bronze medals, alongside prestigious special research awards.

SCOPE & SUB-THEMES

We welcome specialists across a diverse spectrum of educational tracks. Submissions and evaluation tracks are conducted in English, Arabic, or Bahasa Melayu across the following 7 key sub-themes:

- Academic Leadership & Management
- Teaching & Learning - Science & Technology
- Teaching & Learning - Social Sciences & Humanities
- Innovation in Education
- AI & Digital Transformation in Education
- Tawhidic Epistemology (TE) in Education
- Social Responsibility & Community Engagement

ROLES & RESPONSIBILITIES

1. Technical Paper Reviewers:

- Evaluate full paper submissions based on academic rigor, relevance, originality, and clarity.

- Provide constructive, objective, and timely feedback to authors to help maintain high publication standards (E-Proceedings & MyCite/Scopus indexed journals).
- Reviewers are expected to handle approximately 2 to 4 papers within their self-declared areas of expertise.

2. Poster & Presentation Judges:

- Evaluate oral presentations and scientific posters (physical or virtual formats) during the conference on 12 & 13 October 2026.
- Assess works utilizing standardized criteria for the determination of gold, silver, and bronze medals, as well as Special Awards (e.g., Best Research Project, Best Poster, Best Presentation, Most Impactful Research, Best Research (CFS Student)).

CRITICAL TIMELINES FOR REVIEWERS

To ensure a seamless scheduling loop, please take note of the conference production milestones:

Milestone Phase	Target Deadline
Full Paper & Poster Submission Deadline	September 30, 2026
Conference Dates & Live Judging Session	October 12–13, 2026
